Notice of Meetings

The Scrap Metal Advisory Committee will meet on the following days for the purpose of advising the department in the creation of uniform terminology to describe the types of metal most commonly sold as scrap and, with respect to certain types of scrap metal set forth in TCA 62-9-106(a)(9), to advise the department in the development of a uniform scrap metal marking system in Tennessee. Members of the public are welcome to attend these meetings and observe the discussions. All meetings will begin at 9:30 a.m.

7/9	Tour of a scrap metal facility. Please meet in the lobby of the Davy Crockett Tower. If a meeting is necessary it will begin after the conclusion of the tour in the 2nd Floor Conference Room of the Andrew Johnson Tower.	
7/16	Conference Room 160	Davy Crockett Tower
7/23	2nd Floor Conference Room	Andrew Johnson Tower
7/30	Conference Room 160	Davy Crockett Tower
8/6	Conference Room 160	Davy Crockett Tower
8/13	Conference Room A, 5 th Floor	Davy Crockett Tower
8/20	Conference Room 160	Davy Crockett Tower

Davy Crockett Tower is located at 500 James Robertson Parkway, Nashville, TN.
Andrew Johnson Tower is located at 710 James Robertson Parkway, Nashville, TN.

Commission/Board meetings will be conducted by permitting participation of the Commission/Board members by electronic means of communication, if necessary. Any member participation by electronic means shall be audible to the public at the location specified above.

Pursuant to TCA 62-9-106(c), in devising the scrap metal marking system, the department may consult with, or request recommendations from, other state or local government departments or private companies that currently mark property. Such suggestions are welcome. If you would like to submit suggestions or comments regarding a uniform scrap metal marking system applicable to the types of scrap metal listed in TCA 62-9-106(a)(9), please send by e-mail to Donna Hancock (Donna.Hancock@state.tn.us) or Sara Luna (Sara.Luna@state.tn.us) by July 29, 2008.
